

REMARKS

Applicants' undersigned Attorney wishes to acknowledge a telephone conference with Examiner Sun on May 16, 2005. During this telephone conference, the Examiner indicated that the application is in condition for allowance except for the use of legal phraseology in the Abstract, and the Examiner asked that a new Abstract be submitted that does not include this phraseology.

Accordingly, Applicants' Attorneys have carefully reviewed the Abstract and are submitting a new Abstract for this case. In preparing this new Abstract, Applicants' Attorneys have avoided the use of legal terminology, and in particular have changed the word "comprises" to "includes." It is believed that this new Abstract is in full compliance with MPEP 608.01(b).

It is believed that, with this new Abstract, the application is now in condition for allowance, a notice of which is requested. If the Examiner believes that a telephone conference with Applicants' Attorneys would be advantageous to the disposition of this case, the Examiner is asked to telephone the undersigned.

Respectfully Submitted,
